Lab 01 - Graded Solution

You scored 0% = 0.0 points for this lab.

- **Testing whether numbers are correctly identified as perfect**
  - Grade Percentage: 20
  - Your solution failed this test case! taking 0.070 sec

  - TabError: inconsistent use of tabs and spaces in indentation (, l

  - Traceback (most recent call last):
    ```
    File "/Users/lord_pretzel/.pyenv/versions/3.9.0/lib/python3.9/s
      test_function(
